Richard Medina
Chief Quality Officer
Waypoint Analytical, LLC.
2790 Whitten Road
Memphis TN 38133

Dear Mr. Medina,

The MS drinking water certification program has received your request for reciprocal certification and the required Certificate and Scope of Accreditation relevant to the certification of Waypoint Analytical, LLC formerly known as Environmental Testing and Consulting, by the State of Tennessee. Certification by reciprocity under the Safe Drinking Water Act is granted to Waypoint Analytical, LLC, Memphis TN by the State of Mississippi for the certified drinking water chemical and microbiological parameters as granted by the State of Tennessee from November 15, 2025 through August 11, 2028.

This does not include certification for radiochemistry analysis, which is determined by USEPA Region 4 SESD. All required documentation for radiochemistry certification is maintained by the MS Public Health Laboratory.

Notification must be made to this office in writing within 30 days of any changes in the laboratory's Tennessee certification status.

Please notify the Mississippi Bureau of Public Water Supply, 601-576-7518, immediately upon the occurrence of any compliance sample exceeding the analyte MCL.

Sincerely,

Janet Hartin
